

# Positive Review for Phone Review

Recently, the NCVOA Executive Committee approved a new program for member villages to consider that is designed to retrieve telephone expenditures through a little known state law.

Phone Review is a company that is living up to our expectations. In addition to obtaining reductions in villages' monthly telephone line charges, the company is also securing substantial refunds from past telephone line expenditures.

Here are just a few of the municipalities who have retained Phone Review to perform telephone audits and have received refunds or reductions:

<u>Village</u>	<u>Refund/Reduction</u>
Atlantic Beach	\$150 monthly reduction
Centre Island	\$150 monthly reduction
Bayville	\$150 monthly reduction
East Hills	\$175 monthly reduction
Garden City	\$1,000 monthly reduction from Lightpath
	\$1,200 monthly reduction from Verizon
	\$31,450 refund from Verizon over billing
Hewlett Harbor	\$40 monthly reduction
Lawrence	\$825 monthly reduction
Manorhaven	\$130 monthly reduction
Laurel Hollow	\$70 monthly reduction
Oyster Bay Cove	\$135 monthly reduction
Stewart Manor	\$140 monthly reduction
<b><u>Suffolk County</u></b>	
<b><u>Municipalities</u></b>	
Greenport	\$1,000 monthly reduction
	\$7,500 refund from Verizon over billing
Old Field	\$200 monthly reduction
Southold	\$650 monthly reduction
Town of Shelter Island	\$200 monthly reduction
	\$3,000 refund from Verizon over billing

The proof is in the pudding! Phone review is a win-win for villages and their residents, and the NCVOA is pleased to have brought this program to our members.
