TO WHOM IT MAY CONCERN:

PhoneReview recently negotiated a contract for us with MCI/Worldcom for PRI service in our New York City location.

We were very pleased with the service and appreciative of the fact that the rates negotiated were considerably lower than our previous billing.

With confidence, we would recommend PhoneReview for any negotiations or billing reviews of MCI/Worldcom products. We feel they are very familiar with MCI and were able to cut through all the red tape to facilitate action on our account.

Very truly yours,

J. Everett Hill
