

Academy of Mount St. Ursula

Academic Excellence Since 1855

Blue Ribbon Secondary School - U.S. Department of Education

February 28, 2005

To Whom It May Concern:

Phone Review recently completed an audit of the telephone billing for the Academy of Mount Saint Ursula.

We were very pleased with the results and saw a significant reduction in our monthly telephone costs by being placed into NYS programs that we were unaware even existed.

We found Phone Review to be a responsive and professional firm and would heartily recommend their services to any organization.

Very truly yours,

Catherine M. Urtz
Treasurer
